The RV Show is this coming weekend and the next weekend.

Our guest speaker today was Bernice Cage from the Mid-Ohio Regional Planning Commission (MORPC). They are in the process of developing business plans for the mid-Ohio region and would like our input into what we feel is important to our community and county. MORPC makes decisions on whom and what gets stimulus money. Services provided are transportation planning, housing, and energy and environment to name a few. For a full list we can go to MORPC.org. Since this is such an important topic the group invited Bernice to return for another presentation. Thank you, Bernice.

The meeting was adjourned
