Make sure that you check the website to make sure that your information is correct. Also click on your website icon to make sure that you can be directed to your website.

Reg has finished the audit on our books. He said that we had a great year. Reports are available. If you would like to take a look at them contact Reg or Todd.

The Chamber trade show is on January 26<sup>th</sup>. This is being held at the Lancaster High School. If anyone is interested in going, the cost is \$40.00.

The group discussed about members being in more than one referral group at a time. There are no regulations in our Rules that are against this. However, this discussion will be continued at our next meeting.

#### **Speaker: Jackie Theisen-Ellis Floral Design Gallery**

Jackie was working for the post office in 1989 when she decided to buy Floral Design Gallery. Floral Design Gallery was started in New Lexington. After about six months of having Floral Design Gallery, she moved its location to Lancaster. Although Jackie moved the business, she did not move to Lancaster until about four years ago. Jackie has two boys, one is 18 and graduating from Fisher Catholic this year, the other is 26 working for the bank of America in Florida. One of the great things that floral design gallery does, is something called the flower of the month club. Floral Design Gallery is an FTD wire. They are also a gift shop too, which is where they make their own candles. Jackie brought some of the already poured candles in and gave them to the group to take home. Thanks Jackie.
