There are a couple of opening that are now open due to unpaid bills. Prepaid Legal, and web design. If you know of anyone that would be interested in joining our group in these areas, please invite them.

The other referral groups in Lancaster are going to get together at Jericho Mortgage on January 9th. The time is not set; it was discussed to be around 5:30. There will be refreshments available. If you have any questions, ask C.J. he is in contact with the other group.

Speaker: C.J. Estel~ Estelnet computing

C.J. is an I.T. Consultant. C.J. has found that he has saved many of his customer's lots of money on their phone bills. He also specializes in Website development, Video surveillance, and many other categories. Estelnet computing has just relocated. They are now located in the Jericho mortgage company building, suite 101. They now offer house calls. However, they can be a little more expensive. C.J. asks that if you are unable to unhook your computer and bring it in, it will save you some money. C.J. has been asked by a few members of the group to start hosting classes. He is asking for four people or more who want to attend, and he can get some scheduled. If you are interested, or have any questions, please contact C.J.
