We went over the Rules and Regulations to see if there were any changes to be made. Todd suggested having the secretary in charge of notifying members that their membership is in jeopardy if they have not attended the required number of meetings. The treasurer will notify members if they have not paid their dues. A motion was made by Todd Childers and seconded by Bruce Tubaugh that this change be made. The motion carried. Also suggested was making the office of secretary a 6 month instead of a 3 month term. A suggestion was made that we could keep it a 3 month term, and the secretary could renew of another 3 months if desired. That discussion was tabled. Any other changes made will be brought back to the members.
