We listened to what members are doing and what a great referral is.

Everyone had a great time at the picnic.

We discussed involvement in fundraiser groups such as food drive, Historic Parks, etc. Please send you ideas to Ryan Burgoon as there will be a board meeting next week.

Our speaker today is Ron Ruff of Winfree, Ruff and Associates. He is a life long resident of Fairfield County. Ron started his business out of his house in 1981 and opened his office in 1996. The Progressive Referral Group started in his office in 1996. Among other things, he helps people lay out their retirement plans. Thanks you, Ron.

The meeting was adjourned.
