Speaker: Dave Brehm- Anytime Gift Baskets

Anytime is part of over 500 franchises across the U.S. They can deliver. Anytime serves Ohio, West Virginia, Indiana, Michigan, and has local delivery as well as UPS to any where in the US from a local franchise company.. They can make baskets for any occasion as seen by there unique logo with the sun, a snowflake, flower and a fall leaf, Any Reason-Any season, even ground hog day can make a great occasion to treat your clients and employees to some thing special.

Dave started this company in February to pass time with his retirement and is enjoying the experience. Dave was looking for a name that began with the letter A and chose the name Anytime as to be first in the phone book. He has used his past experience with fund raising to help him grow his business.

They create their baskets individually and they do speciality baskets, such as for golfers or fisherman. To insure the satisfaction of each customer a questionnaire is filled out and there basket is personalized and each basket is made from scratch.

In 2 weeks the web site will be up and running. Besides being able to give a basket to that special some one Anytime also has great promo basket that can be used for appreciation of your clients, with your companies logo on coffee mugs, or other items, even attaching a business card to the wonderful teas and coffee samples that he past out or many other great ideas that you can call Anytime and discuss personally. Baskets are also being used a fund-raiser.
