- Bill shared that we should all be cautious regarding emails, as hackers are trying to take over email accounts.

**Speaker: Erin Ellis: Annual Giving Specialist with Fairfield Medical Center Foundation**

Erin lives in Lancaster with her husband of 15 years, Doug, and their 2 children. In her spare time she enjoys cross stitch, reading and cheering on her kids in their activities.

Erin has been with the Fairfield Medical center Foundation for 3 years and plans events for the Foundation. In 2020, Covid changed her role since events were postponed. She helped cover in the Cancer Care Center, she was a runner for the departments, as well as working in the hospital gift shop. Erin is grateful for the experience she had last year and is happy to announce that events are happening again in 2021. She is planning the annual golf outing for September 13<sup>th</sup> at the Lancaster Country Club and just finished a flower sale. They currently have Be Kind to the Mind bags that can be purchased to send to an FMC employee during the month of May. Information on this event is attached to the meeting minutes email.

Erin also reviewed the roles of the 9 TWIGS that raise money for the hospital. If anyone is interested in joining a TWIG, please contact Erin.

Respectfully submitted by Cheryl Barber, Secretary of PRGL
