Speaker: Kent Delong-Buckeye Toyota

Kent had promised his wife she could be a stay-at-home mom, so when they became pregnant, and his outdoor recreation teaching job was eliminated, he interviewed and received a position as a car salesman at Byers Automotive. When his family moved to Lancaster, he began working at Buckeye Honda, and next month, Kent will celebrate 15 years with Buckeye Automotive.

History of Buckeye Automotive

Buckeye Imports was founded in 1978, and in 1984 the owners sold all of the import brands except Nissan and opened Buckeye Honda in Lancaster. In 2012, they purchased the Toyota store from Gribble's.
