Speaker: Rich Hawkins-Hall's Culligan of Central Ohio

Rich began his career 18 years ago at Aqua Falls. Even though he originally wanted to be a cartoonist, he learned about the water industry and fell in love. In February of 2021, he joined Hall's Culligan of Central Ohio. Rich specializes in drinking stations with reverse osmosis that purifies your drinking water. Culligan offers a variety of services for both business and home and customizes their plans to suit your individual needs.

Rich discussed how the minerals and chemicals in our tap water can affect our bodies, including Benzene and Fluoride.

For more information on the products and services offered from Culligan, contact Rich at: rhawkins@hallswater.com
