Speaker: Denise Wingard-Country Lane Gardens

Country Lane Gardens is located at 7820 Pleasantville Road NE, just outside of Pleasantville in Fairfield County. They offer long-term and short-term care, as well as a 40 unit secured area on the 2nd floor for Dementia and Behavioral patients. Dr. Richard Sielski is the Medical Director.

Denise did an exercise with the group to teach us ways to keep our brain healthy and how to recognize the difference between normal age-related memory loss and signs that may show dementia possibilities. (see flyer attached).
