Speaker: Julie Bolyard-The Ridge at Lancaster

Julie is the mom of 3, 1 daughter and 2 sons, all in the medical field. She is also a proud grandma of two grandsons.

Julie graduated from Ohio University with a Bachelor of Science degree and a minor in organizational communications.

She has worked for various businesses including Marriott Hotels as the director of outside sales. She then moved into senior care as a Community Sales representative for Trilogy Health Services and in December of 2021, accepted the position of Business Development Coordinator at The Ridge in Lancaster. The Ridge is a 40 unit assisted living facility with courtyard, which offers various sized apartments to fit the individuals needs. The Ridge has some apartments currently available, and they welcome anyone to come in for a tour of the facility. Respite care is also available for families who are needing a break from caring for their loved one. Contact Julie for more information on their respite care.

The group also heard from Renee, Activity Assistant at The Ridge. She plans a variety of activities for the residents each month and provides them with a calendar so they can plan their days. Residents will once again be able to take trips for various activities like shopping, picnics, and other events that Renee is excited to get to plan.

If you attend the Lancaster 4th of July parade, look for The Ridge in the parade and be sure to wave Hi!
