Speaker: Wayne Cospers-New Way Carpet Cleaning

Wayne lives in Logan with his wife Laura. They have 4 children 8 grandchildren and 1 great-grandchild. Wayne started New Way Carpet Cleaning as something to do after he retired, He enjoys what he does, so doesn't feel like it's work.

New Way Carpet Cleaning gets your carpets clean without leaving them wet and water soaking down into the pad. They use a new molecular product that cleans the carpet. Your carpet is clean when he leaves and the molecular chemical used continues to work, bringing up the deep-down dirt and forming crystals that are vacuumed up when you run your sweeper, making your carpet look brand new. This cleaning system uses very little water, so the carpet dries fast. Their service area covers Fairfield and Hocking counties and the surrounding area. There is a minimum charge of \$150 which includes cleaning of 3 rooms and a hallway. For more pricing information, contact Wayne.

New Way asks their customers to fill out card to give a free carpet cleaning for someone in need. Each quarter in 2023, they will choose 1 person to receive a free carpet cleaning..

Cheryl Barber, Secretary of PRGL
