Speaker: Kim Conrad – Westside Support Services

Westside Support Services operates two homes that provide foster care for adults with cognitive difficulties. One home is for women and the other for men. Their mission is one of inclusion to help them navigate through life. They are contracted through the Fairfield County Board of DD. They are not taking any new people as there are plans to retire in the next few years.

Kim is from Amanda and has worked with Fairfield DD and The State of Ohio. She has also provided in-home care for many years.

Respectfully submitted by
Mark E. Bohach, Secretary of PRGL
