Sara is a Junior at Lancaster High School and is working on her Gold Award for Girl Scouts. The Gold Award is the highest award you can get in Girl Scouts. Her project is a sensory trail at Alley Park. Her goal is to raise \$30,000 total for this project. To date, \$4000 has been raised. The trail is designed for everyone to enjoy and includes a bridge to connect the path to the parking lot. The trail will be paved for wheelchair access, have guide ropes for the visually impaired and braille on all signs. Other features will include raised planters, leaf plaques, tree and bark displays and signage for birds

Donors are needed and there will be a recognition sign for donations \$500 or higher.
