Speaker: Lindsay Blackburn- Alzheimer's Association of Central Ohio.

Dementia is an umbrella term for a range of issues. Alzheimer's Disease is 60% of all dementia. Alzheimer's Disease is a progressive and fatal brain disease.

Services provided by the Alzheimer's Association include education, caregiver support groups and a 24/7 helpline. They also work to make sure that medications are available and covered by insurance.

Events include the Longest Day and the Walk To End Alzheimer's.

Some symptoms and signs to look for- memory loss that disrupts daily life, loss of interest in beloved activities, inability to solve problems, confusion with time and place , poor judgement and mood/personality changes.

Respectfully submitted by
Mark Bohach, Secretary of PRGL
