

Meeting Minutes
Progressive Referral Group- Executive Committee
Wednesday, July 26th 2023
Max and Erma's

In Attendance:

President: Dawn Walker

Vice President: Rich Hawkins

Treasurer: Jesse Hamilton

Secretary: Mark Bohach

Past President: Brenda Carney

Ad Hoc Member- Dr. Jessica Berelsman

Items discussed:

1- Recruitment of new members.

We need to look at member applications and poll current members to include all business categories currently covered in the group. And then identify what business categories to seek for new members. Some categories discussed were Physical Therapy, Electrician and Barber/Hair Stylist.

2- Outstanding invoices and attendance issues.

Two members still third quarter dues.

These members need to attend more meetings to meet the minimum attendance requirement- Fairfield Heating and Cooling, The Rdge.

3- Alternatives to The Bistro for the Christmas Party

There appears to be some continuing doubt about the Bistro's viability.

The Mill has been offered as a possible venue with Creative Catering providing the food at the same price and options as the original Bistro quote. Dawn was going to verify this information and possibly bring this to the group for a reconsideration vote.

Respectfully submitted by
Mark Bohach, Secretary of PRGL
