Speaker: Amanda Mullen- The Mill Event Center

Amanda is a wife and mother of three children. Amanda loves to plan events.

The Mill is a historic building that has been used for many different businesses over the years. Brad Hutchinson bought and renovated the building to serve as a much needed place to hold weddings, memorial services, fundraisers, bridal and baby showers and other events.

The Mill charges for the venue and not on a per-head basis. They work with outside caterers. The Mill can accommodate a maximum of 225-250 people depending on the configuration of the event. They recently added a pavilion area to increase usable space. This area can be closed in and heated in the cold weather months.

They will be hosting Santa in December and a New Year's Eve party with Bad Influence.

Respectfully submitted by
Mark Bohach, Secretary of PRGL
